

# Apples for Sale!

Geary Elementary Home & School will be selling 4 pound bags of Macintosh apples for **\$6.00 per bag**. We are lucky to order these bags of apples from Marty Forsythe's Apple Orchard in Burton. This is a fundraiser for our School and for each bag sold, \$3.00 will go back to our School. All funds raised will go towards the purchase of engaging learning materials for our classrooms.

Please fill out the order form below and return all orders and money by Friday, September 19<sup>th</sup>, 2025. While we encourage family and friends to make an order, please do not go door-to-door. Please collect money with the order. If you would like to make a donation of apples to our breakfast or lunch program, please note that on the form.

The bags of apples will be delivered to the School and we will organize the pick up of apples once they have arrived.

This is the only round of Apple orders we will do this year. Thank you for supporting our School!
